2013 Chardonnay, Laceroni Vineyard, Russian River

case production: 242 SRP: \$65

Laceroni vineyard is nestled in the deep south western part of the Russian River Valley close to the town of Graton. The vineyard was planted in the mid 2000's. The cool climate and the typical Gold ridge soil give this wine its character. Soft rolling hills, protected from direct sunlight, allow for slow ripening. Meticulous farmed, combined with a great site are the receipt for a beautiful wine. Our 2013 Laceroni is one of those examples. This Chardonnay has it all, good structure, nice fruit profile, great balance and layers.

The Vintage

"2013 was more of an average growing season here in northern California. The year went down as one of the driest years on record, but we got some nice winter rains in November and December of 2012. A warm January and February caused early budbreak. The mild temperatures brought us an early flowering in the first week of May. A cool summer slowed the season down. We picked our block on August 26th. Berries and clusters were small giving us great flavors and intensity." – Anne Moller-Racke

Blue Farm

Founded on Anne Moller-Racke's 30-plus years of winegrowing in Sonoma, Blue Farm was conceptualized in 2001 during her planting of Anne Katherina, Blue Farm's first estate vineyard. Blue Farm believes that an intimate understanding and connection to our vineyards is core to making site-specific Chardonnay and Pinot Noirs of the highest quality.
